1. Barn

All our barns can be modified or custom designed and are finished in genuine COLORBOND® cladding, with your choice of sheet profile, and all feature our modular C section portal frame design for infinite design flexibility and strength.

2. Covered Learning Area (COLA)

Unlike fabric covers that allow some penetration of harmful UV rays, Ranbuild's 'Schoolmaster' designs provides solid shade and maximum shelter from the sun and rain. Schoolmaster covered outdoor learning areas [COLAs] come in a wide range of shapes and sizes with models suitable for small lunch areas or large playgrounds.

3. Double Garage with Awning

Ranbuild have your residential shed needs covered, whether you're looking for a storage shed, a garage for your vehicle or boat, a secure workshop for your tools or a garden shed for your valuable equipment. The perfect size to fit 2 cars or a combination of a car and a workshop on the side, a double garage won't take up your entire yard and is an economical size for the much need extra space.

4. Large 4 Bay Workshop

Big or small, the range and configuration of garages is almost limitless. From a simple single garage or double garage through to multi bay or larger units, the size and scale of a garage is only limited by the amount of 'things' you need it for.

5. Double Skillion Triple Garage

Ranbuild's double skillion shed with eaves is the perfect accompaniment to any architectural house, matched perfectly with eave overhangs on both the side and fronts you'll be glad you went to Ranbuild. When finished in beautiful COLORBOND® Custom Orb to enhance your property it also has a great range of uses too.

6. Double Carport

The Ranbuild carport range is a great product to protect your assets from the elements. Whether that is a skillion carport to suit your existing buildings or a gable carport with infills to match, you can be assured the Ranbuild carport range will do the job you need it to.

7. Hay Shed

Ranbuild hay sheds can be open or partially enclosed with flexibility in clear spans and gable roof height to give maximum storage capacity. Strong and tough, our hay and fodder storage solutions are all engineered exactly for the purpose so you get a long-life product.

8. Industrial Shed

The key to Ranbuild Commercial buildings efficiency is the combination of the design program, manufacturing of the modular pieces and seamless delivery of a quality and durable solution. Our advanced design technology can cost effectively create designs that allow buildings with spans up to 40m across in cold form design and even larger using other building methods.

9. Open Ended Machinery Shed

With the total flexibility to adjust spans, length, height and the numbers of bays you need, we offer exceptional quality farm sheds that can be fully customised. Ranbuild's flexible designs can offer protection for all your general storage needs, regardless of the size, location or regulations.

10. Single Garage

Needing just a little extra space? Then look no further than our single garage range, a perfect fit for much needed storage that you just don't have room in the house anymore. Single garages are a great value add to any property and are sure to add dollars to your pocket when it's time to sell!

11. Skillion Garage with Office

Ranbuild's double skillion shed with eaves is the perfect accompaniment to any architectural house, matched perfectly with eave overhangs on both the side and fronts you'll be glad you went to Ranbuild. When finished in beautiful COLORBOND® Custom Orb to enhance your property it also has a great range of uses too.

12. Storage Shed

Ranbuild's storage sheds can be used across a wide range of applications. With options for roller doors, sliding doors, steel partition walls, windows, skylights and internal insulation the choices are endless. Ranbuild's flexible designs can offer protection for all your general storage needs, regardless of the size, location or regulations.

Ranbuild and COLORBOND® steel

Ranbuild sheds and garages use genuine COLORBOND® steel for all our steel buildings. Fifty years of Australian research and development has created a range of technologies that give genuine COLORBOND® steel its long lasting performance when subjected to some of the

harshest Australian conditions. COLORBOND® steel is available in a range of 22 contemporary colours, which celebrate the natural beauty of the Australian landscape. From our mountains to the outback, from our creek beds to our sand dunes, COLORBOND® steel captures

the light and energy that make Australia's colours so unique. With 22 inspired colour choices ranging from traditional to contemporary, COLORBOND® steel provides the ideal palette from which to create the desired look and feel for your Ranbuild Shed.
